

Power RS Scooter 4T 5W-40

SUPERIOR ACCELERATION

Description

Castrol POWER RS Scooter 4T 5W-40 with Scootek Technology™ is an advanced, premium quality, low friction, 4-stroke engine oil designed specifically for modern scooter engines.

Unlike conventional 4T bikes with integral clutch and gearbox, the 4T Scooter uses a belt driven CVT (Continuously Variable Transmission) to transmit power from the crankshaft via a reduction gearbox to the rear wheel.

The scooter engine is often more compact, enclosed by bodywork, and spends a high proportion of time at full throttle.

As a result, scooter engines often run hotter than conventional 4T motorcycle engines. Castrol POWER RS Scooter's fast flowing, low friction, formula is specially designed to reduce internal losses in the engine and resist the stresses of high temperature operation - enabling your scooter to deliver maximum power without compromising protection.

Castrol POWER RS Scooter 4T formula is designed specifically for scooter owners who love the exhilaration of riding.

Castrol POWER RS Scooter 4T - engineered for performance.

Application

Castrol POWER RS Scooter 4T is designed to optimise performance and protection for modern scooters where API SN and JASO MB are recommended.

Advantages

Advanced 4-stroke engine oil formulation with Scootek Technology™

No compromise scooter engine protection

Good oil consumption and oxidation control.

Typical Characteristics

Name	Method	Units	Castrol Power RS Scooter 4T 5W-40
Appearance	Visual	-	Clear & Bright
Viscosity, Kinematic 100C	ASTM D445	mm ² /s	14.25
Viscosity, Kinematic 40C	ASTM D445	mm ² /s	88.21
Viscosity Index	ASTM D2270	None	170
Pour Point	ASTM D97	°C	-36
Flash Point, PMCC	ASTM D93	°C	214

Product Performance Claims

API SN
JASO MB

Storage

All packages should be stored under cover. Where outside storage is unavoidable drums should be laid horizontally to avoid the possible ingress of water and damage to drum markings. Products should not be stored above 60°C, exposed to hot sun or freezing conditions.
