

Product Data

Castrol Motorcycle Parts Cleaner

For rapid and precise cleaning of chains and metal parts

Description

Castrol Motorcycle Parts Cleaner is a specially formulated spray developed to clean motorcycle chains and metal parts.

Castrol Motorcycle Parts Cleaner is used for degreasing and cleaning engine components, brakes, carburetors, spark plugs, electrical switches and metallic surfaces.

Castrol Motorcycle Parts Cleaner also provides effective cleaning of motorcycle chains, improving the adhesion of motorcycle chain lubricants to reduce fling.

Application

Shake well before use.

Apply Castrol Motorcycle Parts Cleaner generously to the motorcycle chain or other parts that require degreasing/cleaning. Allow parts to air dry. If necessary, use a brush or a cloth to assist cleaning.

Attention: It is recommended to test on a small, inconspicuous area before use to check compatibility.

Advantages

Castrol Motorcycle Parts Cleaner

- is highly efficient and dries quickly
- provides rapid and precise cleaning of motorcycle chains and other metal parts
- evaporates without leaving any residue

Typical Characteristics

Name	Method	Units	Motorcycle Parts Cleaner
Flash Point, PMCC	ASTM D93	°C	-3
Density	ASTM D4052	g/ml	0.705

Storage

All packages should be stored under cover. Where outside storage is unavoidable drums should be laid horizontally to avoid the possible ingress of water and damage to drum markings. Products should not be stored above 60°C, exposed to hot sun or freezing conditions.
