

Castrol Foam Air Filter Oil

for motorcycle filters

Description

Castrol Foam Air Filter Oil has been developed to ensure excellent performance for motorcycle filters. Castrol Foam Air Filter Oil has been tested in both controlled field conditions and bench test procedures according to BSI 1701 (ISO 5011).

Application

Castrol Foam Air Filter Oil has been developed to ensure excellent performance (particularly in severe off-road conditions) for motorcycle filters. Castrol Foam Air Filter Oil is suitable for all types of 2 and 4 stroke, on and off road motorcycles where a sponge or gauze filter is used. It is not suitable for use on paper filters.

Advantages

High filtering efficiency for extended filter and engine life.
Maintains air flow for instant engine response and maximum power output.

BSI 1701 (ISO 5011)

Storage

All packages should be stored under cover. Where outside storage is unavoidable drums should be laid horizontally to avoid the possible ingress of water and damage to drum markings. Products should not be stored above 60°C, exposed to hot sun or freezing conditions.
