

CareClean Lime

Heavy Duty Hand Cleaner

Description

Castrol Careclean Lime is a water based, heavy-duty hand cleaner with a pleasant lime fragrance developed to remove a range of soils and provide excellent skin care and conditioning. It contains the optimum concentration of natural scrubber to gently massage the skin removing ingrained dirt and grease without being too harsh in removing the skin's natural oils.

Castrol Careclean Lime also contains aloe vera to enhance soothing and conditioning of the skin.

Application

Castrol Careclean Lime is well suited to a range of industries where it is a very effective hand cleaner for the removal of a wide range of soils including grease, grime, soot, ink and many other contaminants.

Castrol Careclean Lime is ideal for manufacturing, rural and handyman applications.

Advantages

Product Feature	Customer Benefit
Highly effective hand cleaner against a wide range of soils	Multi-purpose, reduces the need for numerous hand cleaners
Contains no petroleum solvents, harsh alkalis or mineral abrasives	Won't dry out the skin which can lead to skin irritations
Effective in a range of water qualities including hard or sea water	Can be used in a range of conditions
Contains Aloe Vera	Soothes and conditions the skin
Pleasant lime fragrance	Refreshing for the skin
Neutral pH	Compatible with the skin's natural pH balance
Contains natural scrubber	Provides deep cleansing without damaging the skin

User Advice

Apply approximately 5mL of **Castrol Careclean Lime** to hands that have not been pre-moistened and massage into skin.

Castrol Careclean Lime can then be rinsed off with cold or warm water. Dry skin with soft cloth or paper wipe.

Storage

All packages should be stored under cover. Where outside storage is unavoidable drums should be laid horizontally to avoid the possible ingress of water and damage to drum markings. Products should not be stored above 60°C, exposed to hot sun or freezing conditions.
